

2026-2027 Sponsorships

Sponsorships help the Columbus Legends provide a competitive homeschool basketball experience while keeping participation affordable. During the 2026-2027 season, your support will help fund:

- **Space to practice and compete:** Gym rentals give our teams the court time they need to develop their skills and host home games.
- **Homeschool tournament opportunities:** Sponsorships help cover team entry fees for NCHBC homeschool tournaments in Indianapolis.
- **Essential practice equipment:** Replacing worn basketballs, cones, and practice jerseys—and adding training tools such as defensive mannequins—helps coaches run effective practices.
- **Improvements to our practice space:** Last year, sponsors helped us add a second hoop, making full-court play possible and allowing us to expand the number of teams. Continued support helps us build on that progress.
- **Quality officiating:** Funding more than one referee per game supports fair, consistent officiating and a competitive experience for our players.
- **Affordable registration:** We've kept registration fees flat at **\$300**, while other programs often cost **\$600 or more**. Sponsorships help cover the gap between family fees and the cost of running the program.

Please consider joining as a sponsor at the Supporter, Partner, or Champion Level.

Sponsor benefit	Supporter	Partner	Champion
Season sponsorship	\$1,000	\$3,000	\$5,000
